

WELCOME TO THE YMCA OF GREATER DAYTON

Deeply rooted in the Dayton community, our Y family is made of people of all ages and from every walk of life, all working side-by-side to ensure that everyone, regardless of gender, income or background, has the opportunity to live life to its fullest. We value caring, honesty, respect and responsibility, and everything we do stems from this. Our staff and volunteers are kids, parents, grandparents, neighbors and local leaders who are all personally committed to understanding what our neighborhoods need.

Together, we use our knowledge to develop stronger, more integrated communities, provide support for people and families, and promote positive change overall.

This handbook has been designed to answer your questions and also help you become more involved with the Y. Please don't hesitate to call upon one of our caring staff if you have additional needs or if we can be of assistance.

Welcome to the Y family!

Sincerely,

Dale Brunner, President & CEO

YOU & THE Y

The Y is the unparalleled cause for strengthening community because we are the community. Together with you, your family and your neighbors, our movement strengthens America's towns and cities through promoting three things: youth development, healthy living, and social responsibility.

With a presence in neighborhoods across the nation, the Y helps people of all ages and from all backgrounds to grow and thrive. We became America's leading nonprofit by helping people everywhere develop the skills and relationships they need to be healthy, confident, and connected to others. Parents desire a safe environment in which children can learn practical and social skills and develop positive values. Kids want to exert energy, discover who they are and what they can achieve, and be accepted among each other. Adults want to learn more, do more, and live a healthier lifestyle. We nurture life lessons in kids, foster health, and well-being among people of all ages, bring people together to pursue passions old and new, and provide mutual support for everyone in our neighborhoods.

Thank you for choosing the YMCA of Greater Dayton for your family's needs. We are here to serve you.

MEMBERSHIP CATEGORIES

The YMCA of Greater Dayton has four categories of membership:

FAMILY - A family is defined (solely for the purpose of classifying Y membership) as any two adults living in one household, and any dependent children up to age 18 residing at the same address and dependent children enrolled full-time in college up to age 24.

ADULT - An adult membership is for an individual 28 years or older.

YOUNG ADULT - A young adult is defined as an individual ages 18-27.

YOUTH/TEEN - A youth membership is available for adolescents up to age 18. Children ages 11 and under in the Y building or on the grounds are required to be under the supervision of a parent or guardian who is 16 or over, or registered and participating in a Y program. Youth ages 12 and over may, at the parents discretion, use the Y facility for up to three hours at a time in youth approved program areas.

MEMBERSHIP DUES

Your membership dues can be paid in one of two ways:

MONTHLY AUTOMATIC DRAFT

Under the Electronic Funds Transfer monthly payment plan, you make a down payment to cover your first month of membership. You then authorize your bank to honor pre-authorized drafts drawn by the Y on your account for membership payments and/or contributions. It is understood that your bank or credit card draft membership will be continuous until 10 days after written notification has been received by the Y. When the bank or credit card carrier honors the draft by charging your account, such drafts constitute your receipt for the payment. If at any time there is to be a change, deletion, or cancellation of your membership, it is to be submitted in writing on the appropriate form, by the primary member, to the branch Y where membership was purchased, along with membership card(s) at least 10 days prior to bank draft date.

***Cancellations submitted through a third party will not be accepted.**

ANNUAL PAYMENT

Annual payments in full may be paid by using cash, check, or credit card (Visa, MasterCard, American Express, or Discover).

CONDITIONS OF MEMBERSHIP

- Sales tax is included at the time of transaction.
- Membership dues are non-refundable.
- Membership dues and similar payments are not deductible as charitable contributions.

- Membership rates are subject to change; notice of change in membership rate will be communicated 30 days in advance.
- A \$25 late fee will be assessed to your account if returned payments are not resolved within the time period stated on your invoice.
- For each return, the YMCA of Greater Dayton will collect a separate \$10 fee to cover bank and administrative costs.
- Monthly membership dues and other fees (Join fees, program cost, etc.) are each separate transactions and therefore drafted separately.
- All membership and/or program balances must be paid prior to membership termination being accepted.
- All accounts must be in good standing to register for programs or renew membership.
- The YMCA of Greater Dayton reserves the right to modify, cancel, or deny memberships due to criminal background, past due balances, or member account status.
- Accounts must be terminated at least 10 days prior to the scheduled draft date.
- ID kept on file

We recommend downloading our app from your smart phone's app store. Brochures, program schedules, and flyers describing Y services and programs may be obtained from your local Y as well as www.daytonymca.org.

If you want information about a special program or about Y's in other states or countries, contact the Membership Director at your Y.

PROGRAM FEES

Program fees are set to provide quality services and represent the cost of providing activities or services not included in your membership dues. However, members receive a reduced rate on almost all programs!

Specific program fee information is available at your Y. Program fee refunds are made only when there is a cancellation of the activity due to insufficient enrollment or verified medical illness.

MEMBERSHIP INFORMATION

ANNUAL CAMPAIGN

In support of the Y mission, an Annual Campaign is conducted each year from January through March. This campaign raises funds to provide kids with the opportunity to participate in Y programs such as summer day camp, child care, youth sports, and swim lessons. These kids would otherwise be unable to participate due to an inability to pay. We believe every kid deserves the Y!

As a Y member, you have the opportunity to participate in the Annual Campaign. Please consider a donation to the campaign and/or volunteering to help raise funds. All Y campaigners (storytellers) are volunteers helping others within the Y family. Training is provided and new storytellers are always welcome. Contact your Executive Director for more information.

Will you join in our commitment to strengthen our neighborhoods by becoming a partner in our efforts to help others? You may never know the impact you will make on your community.

If you or someone you know is in need of financial assistance, please contact one of our member service representatives. All requests are confidential.

TESTIMONIALS

“Thank you for helping my daughter and I during a financial hardship that I have been working so hard to get out of. The YMCA Scholarship has helped me return to work after having my baby, working a full-time job, and remaining somewhat stress-free. I pray that I get to continue to see my little girl grow with her YMCA family with the help of this scholarship.”

“YMCA Camp Kern was the bridge my daughter needed to continue healing from the death of her adopted mother, the transition to a new family, and cancer recovery of her new mom. Camp Kern brought new opportunities for my daughter that she might not have had. Thank you, Camp Kern, and all the donors that made it possible for her to enjoy life again.”

“The YMCA offers a scholarship for families who might be going through financial hardship unlike other facilities which has been a huge blessing for me and helps tremendously. I am so thankful for everyone at the YMCA who takes part in the care and development for my daughter. The YMCA is a community who accepts anyone and makes you feel at home.”
